Red Lion Paper Valley Hotel

8 TEAMS
4 COURSES
1 CAUSE

Join us for a night of eating, fun and mingling among Fox Cities' community influencers in an effort to raise funds for Rebuilding Together Fox Valley!

What is Cuisine for a Cause?

A competition among local business celebrities and their chef partners from the area's best restaurants – all benefiting Rebuilding Together Fox Valley! Last year's event raised \$150,000 to help low-income families in our community stay safe, warm and independent in their homes by providing critical home repairs. .

Tell me what to expect...

Four courses will be served during the event: appetizer, salad, entree and dessert. Each course will have two different dishes created by two different local chefs. Each team will describe the highlights of their culinary creation while you sample the dish. All attendees will then "vote" on their favorite and a winner will be named for each course.

How can I get involved?

In addition to attending (and eating!), several sponsorship options are available on page two for business recognition at the event.

Questions? Contact the RTFV Events Committee at 920-730-2156.

With the help of volunteers and skilled tradespeople, and the support of local businesses, corporate and individual partners, Rebuilding Together Fox Valley positively impacts the living conditions of low-income homeowners in the Fox Valley.
